# Share...Life!

Living the Gospel by maximizing the impact of your donation

Administered by SE Health, the Shared Services Initiative is supporting ShareLife-funded agencies in the areas of human resources, financial services and information technology. Participating agencies are able to improve the quality, competency and accuracy of their work. Through this initiative, ShareLife agencies are reducing their administrative expenses and ensuring that the maximum amount received is directed to the front-line services they provide.

**Last weekend's ShareLife collection in our parish totalled \$10,899.15. Thank you for your generosity!**

If you have yet to do so, please consider making a sacrificial gift to ShareLife through the parish or at [sharelife.org](http://sharelife.org)

## from the Pastors Pen

Fr. Filip Krauze, who has been in residence at St. Anselm's for the past four years, has been appointed Administrator of St.

Mary's Parish (Davenport Rd.) He will be returning to Poland at the end of December.

While in residence here, Fr Filip had the position of being a full-time hospital chaplain. In addition to that, he has been presiding at the Monday morning Eucharist here for the past two years. As he is no longer here, we will not be able to have liturgy on Monday mornings beyond the end of June. *The final Monday morning Mass will be celebrated on June 24<sup>th</sup>.* We thank Fr. Filip for his generous assistance and support, and we wish him all the best.

***“Send forth your Spirit O Lord, and renew the face of the earth”***

Today, on Pentecost, we retell the story of the birth of the church. A great mystery was revealed to them in prayer, about how the life of Jesus was to be transferred into them and extended into history. The disciples had retreated to an upper room to pray. Mary, Jesus' mother, was with them. For Luke, author of both the Gospel and

Acts, what happened on Pentecost repeated what had happened for Mary three decades earlier in Nazareth when she was overshadowed by the Holy Spirit, conceived the child Jesus and set in motion the story of God in the world. Now the community of believers was experiencing the same thing, only this time the Spirit would conceive and birth in them the ongoing presence of Jesus. The church was being born. His disciples would be the body of Christ, animated by his Spirit.

Do we recognize ourselves in the story? The church has spread throughout the world, touching millions of people, extending its influence into every aspect of culture and life. In wind, fire and many languages, the faith we share today burst forth from its small, simple origins to influence world civilization and global events.

Yet its vitality is best measured in our local churches. Are our numbers growing and do we see new life surrounding us in Baptism and Sacraments of Initiation? Are our liturgies inspiring and do we have active ministries where many hands are offered to serve the community with dedication and

commitment? Do we take our own baptismal promises seriously by truly listening for God's call? Does the presence of this church in this location actually make a difference? What do neighbors say about us? What impact do we have on the city around us? Would it matter if we up and moved and were replaced by a business or more housing? Pentecost was more than just a spiritual outpouring, but an outpouring into real people, lives receptive to the Spirit, ready to emerge from locked rooms into the community to preach, heal and minister to others. The Spirit is given to those who make it visible and effective – then, and now.

Pentecost is not just some one-time event in the life of the church. It serves to remind us that our lives are defined by love, relationships, memories and plans for the future. Everything is a gift meant to be used fully and joyfully to our benefit and to the benefit of those around us. The love (Spirit) of the Creator and the Redeemer overflows into time and space, into fragile human hearts. This love fills us with peace even as we are handed a daunting job description: our mission, if we choose to accept it, is his mission. If we are to make a life of loving and forgiving one another, we need the Spirit now every bit as much as the disciples needed it after the resurrection. The really good news is, we have the Spirit, and this gift is the only one that really keeps on giving.

***For a renewal of the Gifts of the Spirit in our lives, that we may each recognize and put into practice all the gifts which we have been given so that the Body of Christ may be strong in serving the reign of God... We pray...***
