Help!

Have you recently picked up a box of donation envelopes bearing donor number 13? If so, please call the parish office or

begin including your name and address as we require this information to properly credit your donations to you. Thanks!

from the Pastors Pen

Fr. Filip Krauze, who has been in residence at St. Anselm's for the past four years, has been appointed Administrator of St.

Mary's Parish (Davenport Rd.) He will be returning to Poland at the end of December.

While in residence here, Fr Filip had the position of being a full-time hospital chaplain. In addition to that, he has been presiding at the Monday morning Eucharist here for the past two years. As he is no longer here, we will not be able to have liturgy on Monday mornings beyond the end of June. The final Monday morning Mass will be celebrated on June 24th. We thank Fr. Filip for his generous assistance and support, and we wish him all the best.

GOOD SHEPHERD REFUGE PROVIDE-A-MEAL PROGRAM

Group "B" casseroles are due **THIS WEEKEND**.

Your continued commitment to this valuable ministry is most appreciated.

Planning Ahead...Summer Casserole Schedule:

Group "A" - July 20/21

Group "B" - August 17/18

Group "A" - September 21/22

We are grateful to our Casserole Chefs in the parish. Each month, we provide dozens of nutritious casseroles to the Good Shepherd. Each of these casseroles contains a hearty meal for 10 hungry individuals, using just SIX ingredients! If you would like more information on how to participate in this program (with a contribution of a casserole once every other month during the year), please contact the parish office. Remember – we provide the recipe and pan!

St. Anselm’s Ecology Group Encyclical Letter of the Holy Father Francis Laudato Si’

Chapter One

What is Happening to Our Common Home?
VI. Weak Responses

54. It is remarkable how weak international political responses have been. The failure of global summits on the environment make it plain that our politics are subject to technology and finance. There are too many special interests, and economic interests easily end up trumping the common good and manipulating information so that their own plans will not be affected.

The Aparecida Document urges that “the interests of economic groups which irrationally demolish sources of life should not prevail in dealing with natural resources.” The alliance between the economy and technology ends up sidelining anything unrelated to its immediate interests. Consequently, the most one can expect is superficial rhetoric, sporadic acts of philanthropy and perfunctory expressions of concern for the environment, whereas any genuine attempt by groups within society to introduce change is viewed as a nuisance based on romantic illusions or an obstacle to be circumvented.

Pope Francis

Please take a few minutes to visit the EcoAnselm display at the Millwood entrance. There is a variety of things posted here: you will see a list of things

EcoAnselm has done over the past few years including writing to Bayview merchants and visiting each of them; there are prayers, scripture, reflections, and more.

Next weekend’s bulletin will be the last issue before a two-month break.

If you are interested in advertising on the back page of our bulletin for September, please contact our printer, (Liturgical Publications) at 905-624-4422

As the summer heat (eventually!) settles into our church and the air becomes humid and heavy, we once again kindly remind you that there are several parishioners who are sensitive, if not allergic to heavily scented lotions, perfumes and colognes. Please refrain from wearing such products when attending Mass, in consideration of those around you.

Share...Life!

Living the Gospel by helping homeless youth

On any given night, 6,000 people across Canada between 16 and 24 have nowhere to call home. This represents 20% of the total homeless population. The ShareLife-supported Rights of Passage program at Covenant House is making a positive difference in the lives of homeless youth on the streets of Toronto. The program matches adolescents with mentors who help them build life skills. By supporting ShareLife, you’re helping at-risk youth prepare for life on their own.

If you have yet to do so, please consider making a sacrificial gift to ShareLife through the parish or at
