### GOOD SHEPHERD REFUGE PROVIDE-A-MEAL PROGRAM

#### Summer Casserole Schedule:

**Group "A" - July 20/21**

**Group "B" - August 17/18**

**Group "A" - September 21/22**

*We are grateful to our Casserole Chefs in the parish. Each month, we provide dozens of nutritious casseroles to the Good Shepherd. Each of these casseroles contains a hearty meal for 10 hungry individuals, using just SIX ingredients! If you would like more information on how to participate in this program (with a contribution of a casserole once every other month during the year), please contact the parish office. Remember – we provide the recipe and pan!*

For the sick who have asked for our prayers, especially Bishop Bob Kasun, Mary Hanna, Rachel Moxam, Shirley Rouleau, Terry McIntosh, Jennifer Anderson and Pablito

Rosales Sr., that the healing love and consolation of God may surround them and bring them strength in their illness, we pray...

### from the Pastors Pen

Fr. Filip Krauze, who has been in residence at St. Anselm's for the past four years, has been appointed Administrator of St. Mary's Parish (Davenport Rd.) He will be returning to Poland at the end of December.

While in residence here, Fr Filip had the position of being a full-time hospital chaplain. In addition to that, he has been presiding at the Monday morning Eucharist here for the past two years. As he is no longer here, we will not be able to have liturgy on Monday mornings beyond the end of June. The final Monday morning Mass will be celebrated on June 24<sup>th</sup>. We thank Fr. Filip for his generous assistance and support, and we wish him all the best.

### St. Anselm's School Playground

Work will be starting on the renewal of equipment for the playground area at the school over the summer; this will impact parking on the weekends for our parishioners. The result could lead to a reduction in the number of parking spaces available at the school while construction is happening. Sincere apologies are offered to all who are impacted by this disruption. The project will begin on July 2<sup>nd</sup>.

**PARISH SUPPORT**

**Pre-Authorized Giving at St. Anselm's Church**

Summer is upon us and in this neighbourhood, many are fortunate enough to be able to spend part or even all of their summer weekends out of town on holiday or at cottages.

Unfortunately, the expenses and needs of the Church cannot take the same holiday, and budgeting becomes quite difficult when weekly offerings dip so drastically.

Our parish offers a convenient **Pre-Authorized Giving (PAG)** plan, where ONE automatic withdrawal is made on the 20<sup>th</sup> day of each month (12 payments in a calendar year). This can be in any amount of your choosing, and you will receive a tax receipt for all monies donated. You won't need to keep track of a box of envelopes, fill your information in on visitor envelopes or search for loose cash. Most importantly, when you're away, you can rest assured that your home parish continues to receive your support, without which so many things would be impossible.

If you would like more information about how to join our PAG program, please contact the parish office. Enrollment forms can be found on the glass tables in the church. Thank you!

**Mondays: (except statutory holidays)**

1:00 p.m. – 4:00 p.m.

**Tuesdays – Thursdays:**

9:00am – noon; 1:00 p.m. – 4:00 p.m.

**Fridays:**

CLOSED

The office will also be closed from August 6<sup>th</sup> to August 19<sup>th</sup> (inclusive). During this time, voicemail messages will be checked regularly for emergencies.

**Petition**

**Ontario's Endangered Species Act**

EcoAnselm is conducting a petition this weekend at both entrances of the church to protect Ontario's Endangered Species.

Did you know that Ontario's Endangered Species Act was seen as the best one in Canada?

Now, through Bill 108, called "More Homes, More Choice, under Schedule 5, the provincial government is making changes to the Act.

Under these changes, developers would be allowed to pay a fee for the right to expand activities which would destroy critical wildlife habitat and kill endangered species.

Recently the UN issued a report warning about the imminent rapid acceleration in the global rate of species extinction. This report states that the loss of species and habitat poses as much danger to life on Earth as climate change does.

EcoAnselm is asking St. Anselm's parishioners to sign a petition requesting the provincial government to reverse changes to the Endangered Species Act, proposed through Bill 108 under Schedule 5, in order that endangered species and their habitat be protected.
